Shotgun Start- 12:30 pm • Reception /Dinner (at conclusion of the round)

OUR TREASURED PARK SYSTEM

It is an exciting time for Doylestown Township Parks & Recreation. In 2025, as we celebrate the 30th Anniversary of Central Park, and the establishment of our Parks & Recreation Department. Construction is moving toward completion of the Central Park improvement project which brings to the community a new recreation center, 14 outdoor sports courts and a permanent/accessible restroom facility to service the Park, C&N Amphitheater and Kids Castle.

The Doylestown Township Park System was created in 1971 with the acquisition of the 13-acre Sauerman Park. Additional park land was acquired over the years, including the Ridings Tract, Turk Park, Bridgepoint Park, Neamand Park, Castle Valley, and Triangle Park. The well regarded Central Park opened in 1995, and has been a destination for residents and visitors for decades.

Your participation in this event will directly impact the community members who will benefit from the programs, resources and social connectivity opportunities all set in our beautiful Central Park.

The 2025 FORE Parks Golf Outing will benefit new and ongoing Doylestown Township Park improvements and recreation services for the community.
