QPR Training for Suicide Prevention

Did you know that each day 122 people die in the U.S. by suicide? Unfortunately, because of stigma and fears surrounding suicide, it is rarely spoken about. Through QPR Training, the Bucks County Suicide Prevention Task Force has set out to end that stigma and educate the public in the hopes of preventing such tragedies.

QPR, which stands for Question, Persuade, Refer, is a free, 2-hour training that helps individuals to understand and recognize a mental health crisis. By learning QPR, you will come to recognize the warning signs, clues and suicidal communications of people in trouble and gain the skills to act vigorously to prevent a possible tragedy.

Please join us! The more people trained - the more lives saved. Registration is required for this program. Space is limited!

Women's Assault Prevention Seminar

It is estimated that 33% of women will be assaulted by age 24, and the majority of them will know and trust their attacker. Women's assault prevention is a lot more than just learning how to hit or kick. It's about learning how predators think and how to identify dangerous situations before they become violent. This seminar will include a power point discussing the dangers young women face, as well as hands on self defense training taught by retired and

decorated police officer, and nationally recognized assault prevention expert, Mike Austin.

Engineering for Kids

Junior Engineering

1) Twisted Fairy Tales

Ever wonder how we got to the Happily Ever After in traditional fairy tales? Students will explore a few fairy tales from different points of view and engage in activities to investigate solutions for each fairy tale's obstacles. In the Twisted Fairy Tales camp, we will design a gateway vehicle for the heroine from Kate and the Beanstalk, help the Three Billy Goats Fluff devise a method to cross the bridge quietly and not wake the Troll, and construct an edible reef entirely from candy to protect the Three Little Fish from the Big Bad Shark! Join us as we explore the engineering of Fairy Tales!

Apprentice Engineering

1) MinecraftEDU: Traveling into the Future

This camp will immerse students in the expansive world of Minecraft, and will challenge students' ingenuity and problem solving skills as they navigate through several engineering challenges. Students will learn how to use teamwork and manage resources like an engineer in the real world. Building in Minecraft allows students to experiment with designs and materials, all without the risks associated with building structures in reality.

A Note to Our Program Participants

With the recent cancellations and closures associated with the Coronavirus (COVID-19) we are doing our best to monitor the situation in our community and follow the guidelines set by our County and State Health Departments.

It is our hope that our Summer programs and events will go on as planned, and that we will all be able to return to some kind of normalcy. However, should any scheduling changes be required, we will communicate with participants and the public as quickly as possible.

We appreciate your support and understanding and we look forward to seeing you this Summer!

Preschool/Youth

Kids Karate with East Montgomery Martial Arts Academy

This program will feature a traditional Martial Arts curriculum that has been established for over 45 years. With an emphasis on childhood development and goal setting, this program promotes "Discipline of Mind and Body" and the development of a positive winning attitude!

The program is directed by the founder of East Montgomery Martial Arts Academy (located in Horsham), Mr. Jonathan Exaros. Classes will be taught by Ms. Shannon Lynott who worked at the Goddard School in Doylestown and currently a teacher at Simmons Elementary School in Horsham. She is an instructor at the East Montgomery Martial Arts Academy and has been studying with Mr. Exaros since she was a little girl.

The Academy is very pleased to be partnering with Doylestown Township Parks and Recreation, and is enthusiastic about bringing their unique and proven methods of teaching children to the Doylestown community.

Olympics Camp with Jump Start Sports

The Olympics are coming to Doylestown! Children learn about a wide variety of Olympic sports, including track and field, soccer, hockey and basketball. Campers make a flag to carry at the "Closing Ceremonies" and "Presentation of Medals." The mission of Jump Start Sports is to provide fundamental skill instruction in a variety of sports and recreational activities while focusing on cooperation, teamwork and sportsmanship. Children learn the importance of recreational play, the benefits of physical activity and fitness, outdoor exploration and summertime fun. Our fun-oriented and highly instructional camps create an atmosphere that enables children to learn, grow, make friends, and have a meaningful summer experience. Each morning features a full-camp game, instruction in a sport or recreational activity related to the theme, and a craft. Kids should bring a water bottle and snack each day.

Hit the Trails!

Thanks to a joint effort, the Doylestown Community Bike and Hike committee has established a far reaching and comprehensive trail system that goes through Doylestown and the surrounding area. The ongoing goal of the trail system is to construct a pedestrian friendly walk/bikeway that will link residents in both the Borough and the Township and ultimately provide a safe route of travel without needing to utilize the sides of roadways.

For more information or to see a list of the parks, landmarks, shopping/dining areas, and more, all accessible via the trail system please visit us at www.doylestownpa.org/parks-rec-home!
