- Fees are calculated at the seasonal rate and are not prorated. Permits will not be considered valid until all required paperwork and fees are received.
- Complete schedules indicating dates and times for practices, games and other scheduled activities **must** be submitted prior to the start of each season. Use of fields will not be permitted until required paperwork, schedules and insurance are received.
- Township sponsored events will supersede all other activities
- From time to time other functions deemed appropriate by the township may take precedence over scheduled field usage. The organization will be notified in advance of any changes to their previously approved scheduled.
- The Township reserves the right to close any facility due to weather or other conditions as deemed necessary.
- Doylestown Township-based organizations will be given priority over non-residents/groups when assigning facilities.

The individual, group or organization acknowledges having received and read Doylestown Township Ordinance No. 266 - relating to Park System Rules and Regulations and agrees to abide by all rules and regulations set forth in said ordinance. The organization further agrees to leave the site in a clean and orderly condition after each authorized use, and to cooperate with any Township official requesting the user to act in accordance with the above stated guidelines. Full responsibility for any damage to property or persons is assumed by the undersigned as an agent for the sponsor of the event or use. The Township, its officials, employees, agents, and volunteers shall be saved harmless from any claim and/or liability hereby arising out of, or in connection with the function, activities and uses of requested premises.

We further affirm that (check one of the following - Required):

☐ No township residents are **excluded** from participation in this league/organization

General Information

Contact/Coordination

Doylestown Township will work only with the designated league contact person; all correspondence, requests, etc. will be made through this individual. Individual requests from coaches, etc. will not be considered.

Inclement Weather

In the event of inclement weather (i.e., rain, snow, draught, etc.) authorized user groups are expected to utilize due diligence pertaining to the use of assigned fields. Damage caused to any field/facility as a result of use during inclement weather will be the sole responsibility of the user group. All costs for repair of the field/fields will be charged back accordingly. The township reserves the right to close any and/or all fields as deemed necessary and will post closures at www.doylestownrec.com.

- In the event of rain, snow, etc. fields are considered "closed" and use of any kind is prohibited.
- In the event of excessively wet/saturated conditions fields are considered "closed"

Rescheduling

In the event make up games are necessary, it is the responsibility of the designated contact person to submit a written request to the park and recreation department to confirm availability of a field and secure approval.

Trash and Litter

It is the responsibility of the permit holder to ensure that the fields are clear of trash and debris at the conclusion of each practice/game. Failure to clear the fields and place trash in the provided receptacles will result in additional maintenance fees being charged to the organization.

Parking & Facility Use Information

Central Park

- Fields: Central Park fields will be available for game/practice in accordance with approved schedules Practices. Activity other than authorized will result in termination of the league permit for the season without refund.
- Parking:
 - Parking on the "Loop Road" (including drop-off is strictly prohibited and cars will be ticketed.
 - Entering the park from the exit of the loop road (nearest field #3) is prohibited at all times. Failure to
- Pavilions: Pavilion access/use **is prohibited** for all athletic organizations holding a seasonal use permit. Permits are issued for field use only. If an organization would like to utilize a pavilion the appropriate rental application and fees submitted and rental permit secured.

Turk Park I & II

- Fields: Turk Park fields will be available for game/practice in accordance with approved schedules and/or Practices only.
- Parking:
 - Parking on or along Almshouse and/or Turk Roads is prohibited at all times.
 - Grass parking anywhere in the park is prohibited at all times.

Turk Park III

- Parking:
 - Driving/parking on the maintenance road (between Turk III fields and Dog Park), including drop-off is strictly prohibited.
 - The maintenance road does not go through to King Park. *Driving to King Park via the maintenance road from Almshouse Road to King Park (Warrington Township) will result in immediate termination of a permit without refund.*

Conduct

- ❖ Failure to comply guidelines as described will result in suspension/cancellation of permit without refund .
- ❖ Disregard and/or confrontational behavior toward any township representative will result in permit termination without refund.
- ❖ Activity other than authorized will result in termination of the league permit for the season without refund.

Restricted Dates All restricted must be respected and adhered to - Every attempt has been made to accurately reflect these dates on the schedule below. A complete list will be forwarded and/or updated as necessary to the designated league contact for distribution to coaches and other league representatives as needed.

Doylestown Township Parks & Recreation

Maintenance Memorandum of Understanding *Required by all Authorized/Permitted Field/Facility Users*

Doylestown Township will provide general park maintenance of the facilities and fields including weekly mowing, trash removal (twp. Containers only), and regularly scheduled township comfort facility cleaning. Excessive wear and tear, littering, abuse/damage of any fields and/or facilities will result in additional restoration/damage fees. Additional maintenance, at the organizations expense, may be requested by the applicant and is subject to the townships authorization and/or ability to accommodate such requests.

The applicant will provide all maintenance relative to their event such as field preparation, lining of the fields, setting of bases, goals, corner flags, restoration from tent placement, trash removal, porta-potty placement and removal, etc. relative to the conditions and term of the approved permit.

Motorized vehicles are not permitted (other than designated parking areas) on park fields or surrounding grass areas for the preparation of athletic fields or any other activities unless specific prior approval is obtained from Township.

No modifications/improvements shall be made without the Township's prior approval. Any request to modify or improve park/facilities shall be submitted in writing for review by the Township at least 60 days prior to anticipated work date.

Any portable structures (i.e., fences, backstops, batting cages, tents, porta-potties, temporary structures, etc.) must be approved by the Township prior to installation and must be removed by the organization immediately following the expiration of the permit or within conditions established within the permit or the Township is authorized to remove such items at the applicant's expense.

The Township will make regular site visits throughout the approved timeframe. Damage/maintenance other than normal wear and tear (including as a result of use during times of inclement weather), the applicant will be solely responsible for restoration/maintenance as specified by the Township. The applicant shall provide all labor and materials to correct such damage, or pay all associated fees assessed by the Township to have damage corrected.

No permanent structure or equipment shall be erected on Township facilities unless approved by the Township and dedicated for community use.

The Township may cancel, postpone and/or schedule "down time" at any time for preservation of facility condition and/or maintenance as needed. Every attempt will be made to limit these closures to periods before and between active season timeframes.
