Doylestown Community Performing Arts Series

Since 1995, Doylestown Township has hosted the annual Sounds of Summer Performing Arts Series providing free family-friendly entertainment and sponsor exposure to thousands of residents and visitors annually, with more than 100 performers having performed. The "Thompson Performing Arts Series" has become a sought out destination. Additionally, the annual fireworks celebration has become a long-standing community favorite tradition.

Over the years, the performing arts series has featured professional and amateur talent of regional, national, and even international recognition. A wide variety of cultures and artistic styles have been presented as well, including different musical genres, theater, dance, magic, etc. The goal has always been to present Doylestown community residents and visitors with the best possible opportunity for cultural enrichment, arts appreciation and fun for our hard-working community.

As a business in a competitive marketplace, your donation will compliment your commitment to our wonderful community. As an individual, your support speaks directly to the sense of community we have in Doylestown Township. Your tax deductible gift helps to ensure the continuation of this annual community favorite and also showcases your company's name to more than 10,000 households and concert goers from the local and regional community. It's your enthusiasm, support and partnership that ensures this program's success.

We are immensely appreciative of our businesses and individual partners throughout the community that support this awesome series. We hope you'll join us in support of this annual performing arts series as we celebrate 26 years of free arts events in the park.
