Teen Leash & Greet Class

My Pack Leash Walk and dog training class combined! You will be walking with me and other handlers and social dogs in "The Pack." A Pack Walk provides excellent physical and mental exercise for your dog as well as healthy interaction with other dogs. This is an ALL outside walking and training class. Learn new exercises to improve your dog's leash walking skills as we power walk through the park. This class is a great option for the active teenage dog! Or, if your dog is excitable around other dogs, needs exercise, constantly stops on their walks or simply enjoys walking. We will teach them to walk (and stay!) on one side of you, walk in a straight line, walk at a steady pace and walk with their head up in the air (rather than trying to eat everything off the ground!). We will also practice appropriate meet & greet skills with new people and dogs.

For dogs that are 6 months and older and social with other dogs. There is no class the week of November 2nd.

Please note: This class will follow CDC and State guidelines regarding social distancing and face coverings.
